IMAGINE POOLS™ INFORMATION RELEASE

DATE: August 16, 2019
FROM: Head Office (David Pain)
TO: All Dealers
REFERENCE NUMBER: D0062
DESCRIPTION: Imagine Pools™ “Pool of the Month” Recognition

Dear All,

It is our mission to provide you with the world’s best composite fiberglass swimming pools, spas and tanning ledges so that families can enjoy “life at its best.” We also recognize that to accomplish this mission, we need valuable partners, like you, who can take our products and then use them to make your clients’ dreams come true.

That is why we have announced our “Pool of the Month” program where we can recognize dealers who are accomplishing this and inspiring others to enjoy “life at its best.” This month, we are proud to present this award to Derby City Pools for their Imagine Pools’ “Illusion 35” in Ice Silver.

Their clients are top selling realtors who wanted to create an “escape” where they could relax with family and friends. Derby City accomplished this by using “The Illusion” as the centerpiece of outdoor living design while expertly adding bubblers in the splash pad area, and incorporating an automatic cover for even easier maintenance.

Derby City Pools will be receiving a plaque recognizing their achievement plus this pool will be included in the next edition of our Imagine Pools sales brochures which will be updated for the 2020 selling season.
